

PLAN AN INVESTIGATION

Fill in the boxes to plan your investigation.

Investigation	Safety
I am investigating	I will make sure to
Equipment	Control variable
I will need	I will measure
Independent variable	Dependent variable
Independent variable	Dependent variable To make sure it's a fair test, these things
Independent variable I will change	Dependent variable To make sure it's a fair test, these things will stay the same each time
	To make sure it's a fair test, these things
	To make sure it's a fair test, these things
	To make sure it's a fair test, these things
	To make sure it's a fair test, these things
	To make sure it's a fair test, these things
	To make sure it's a fair test, these things
	To make sure it's a fair test, these things
I will change	To make sure it's a fair test, these things
